No link to this site can be included on any other website without the prior written approval of the Company.

The user agrees and undertakes not to use the site **amaze.gr in order to** :

- a. Send, post or transmit in any way any content that is or may be judged for any reason unethical (offends good morals, social values, etc.) or unlawful or, in general, offends, or damages the Company or anyone third party and their legal interest,
- b. T proceed to any mission, publication or transmission in any way of any content for which the users do not have the right of transmission according to the law or the valid conventions, (as internal information, property and confidential information that was acquired or revealed as part of labour relations or that is covered by agreements of confidentiality), as well as any content which violates any license, commercial signal, commercial secret, intellectual rights or other third party's property rights or contain malicious software aiming at the interruption, the cause of damage, the destruction of the equipment of operation of any software or computers' software.
- c. Any other intentional or unintentional violation of applicable law,
- d. Any collection or storage of personal data about other users.

Without prejudice to any other right of the Company, any use contrary to the foregoing may result in the discontinuance of the services provided without notice. The user agrees that the administration, employees, partners and shareholders of the Company are not liable for any breach of the above obligations by the User.

4. WEBSITES OF THIRD PARTIES AND CONTENT

Some of the contents of this website may be held by third parties, (e.g. articles, data or quotes), or hypertext links that lead to websites owned by third parties. These third parties have full liability, (civil or criminal), for the security lawfulness or validity of the content of their websites and services, excluding any liability of the Company.

The Company cannot guarantee that users of this site have any right to use the content held by third parties that is available on this website. Users must obtain permission from the third party before using or storing the content in question. Copyright-protected content cannot be changed, as it cannot change any author notice or copyright notice appearing on it without first obtaining the necessary consents.

5. SOFTWARE TRANSPORT

The use of the software downloaded from this web site is solely for the judgment and evaluation of the potential risks of the user, who will have to ensure that the software

downloaded from this website to his / her personal computer is compatible with the computer and does not contain viruses.

6. CHANGES TO THE WEB SITE

The Company reserves the right to change or withdraw any part or the entire web site at any time without prior notice. Any changes will apply from the next time the user visits the site. Users of this site are not entitled to any compensation because they are unable to use the services offered by it.

6. PERSONAL DATA PROTECTION POLICY

Privacy is governed by the principles of EU Regulation 2016/679 and the relevant applicable National Law.

We in the Company consider it extremely important to protect the personal data of those who visit our website. For this reason, we have taken the necessary steps to comply with all rules for the protection of personal data. We handle "personal data" in accordance with the Company's Privacy Policy as well as European Law and any other applicable local legislation on the storage, processing, access and transfer of personal data.

Information we receive –

Personal information: You can visit our website without giving us any personal information. We may collect your own personal identification information (such as name and e-mail address) only if you choose to give us. –

Location, including real-time geographic location of your computer or device through GPS, Bluetooth, and your IP Address, along with crowd-sourced Wi-Fi hotspot and cell tower locations, if you use location-based features and turn on the Location Services settings on your device and computer.
